

Flight Delays

Sittin' in the airport
Chilly Northern winds are blowing
And It's 8:30 in the morning,
my chances don't look good
Got to get me out of this city
Oh God, I hope that it quits snowing
She's waiting for me down in Tennessee
I miss the warmth of her smile,
Oh, how I miss the warmth of your sweet, sweet smile

The weather report on the tv screen
says it's 52 degrees in Nashville
And a picture of you flashes in my mind
still lying there in bed
The picture is clear, of you, my dear,
you're thinking of me as well
Toronto is grey on this wintry day,
but I can smile despite it all
I can still smile despite it all

C
'Cause when I think of you
my world grows bright and warm
I'll wrap my love around you
when I hold you in my arms

Announcements, more flight delays,
updates, cancellations
I should've stayed at home where it's cozy and warm,
but I'm stranded in terminal 3
As the day drags on the storm wears on
with no relief in sight
If I'm lucky and we get a break in the weather,
I might see you tonight
If I'm lucky, I might get lucky, and see you tonight

C
BRK.

My head is bobbing around in the clouds,
while my feet are still touching the ground
What's a boy to do, I feel so blue
not having you around
Thinking of you is my only escape
from this 28th of January storm
It's nine at night, with no relief in sight
but hope springs eternal and warm
Yeah, hope still springs eternal and warm

C

It's 9:30 at night,
and they're finally calling my flight,
and I can't wait to get on.
