I was standing by my window
On a cold and cloudy day
When I saw that hearse come rolling
To carry my mother away

(chorus)

Will the circle be unbroken
By and by lord by and by
There's a better home a waiting
In the sky lord in the sky

Well I told that undertaker
Undertaker please drive slow
For that lady that you carry
Lord I hate to see her go

Now I followed close behind her
And lord how I tried to be brave
But I could not keep from crying
When they laid her in that grave

Now my home lord, seems so lonely
Since my mother she's been gone
All my brothers and sisters crying
(And) I feel so sad and alone
