

You Will Find Your Way

All right reserved, Denis Chadbourn, C-Denny Music, 2008

You are not
The first one
To feel pain
You are not
The first or last
To cry
Wondering
If the pain
Ever goes away
It takes time
And there'll be scars
But you'll get by

(Chorus)

Because love has a way
To make you smile again
And life is a wonderful thing
You gotta hold on
You gotta be strong
Minute by hour by day
And you will find your way

There are times
We all fear
Hope is lost
There are days
Nothing goes your way
All you can do
Is just muddle through
And find a way to carry on
If you trust me
You'll see
There'll be better days

Chorus

Break

We all face
Challenges
In this world
We all face
Adversities
And strife
It makes you reach
And It makes you grow
It will surely make you stronger
Yeah there'll be lows
And there'll be highs
But such is life

Chorus x2

You are not
The first one
To feel pain
But you will find your way
